Education

Lakshmi Narain College of Technology (LNCT), Bhopal B.Tech in Computer Science and Engineering (AI & ML)	2023 – 2027 CGPA: 8.47
B.D. Public School, Patna Senior Secondary (CBSE - PCM with Computer Science)	2022 92.8%
B.D. Public School, Patna High School (CBSE)	2020 93.4%

Technical Skills

Languages: C++, Python, JavaScript, TypeScript, SQL
Frontend: React.js, Next.js, Tailwind CSS, HTML5, CSS3
Backend: Node.js, Express.js, Prisma ORM, REST APIs
Databases: MongoDB, PostgreSQL (Supabase), MySQL
Tools: Git, GitHub, Postman, Vercel, Firebase, Docker (Basics)
Coursework: Data Structures & Algorithms, DBMS, Operating Systems, Machine Learning

Projects

- **AI Expense Tracker** Live
AI-powered web application to track, categorize, and analyze personal expenses in real-time.
 - Tools & Technologies used: Next.js, React.js, Node.js, Supabase, Prisma, Gemini API, Tailwind CSS
 - Features: Automated expense categorization using AI, real-time financial insights, responsive UI, and secure authentication.
- **SettleBalance – Expense Splitting Platform** Live
A full-stack web application for managing and settling group expenses efficiently.
 - Tools & Technologies used: React.js, Node.js, Express.js, PostgreSQL, Supabase
 - Features: Group creation, expense tracking, automated balance calculation, and JWT-based authentication.
- **UberClone – Ride Booking System** GitHub
A ride booking web application enabling users to request and manage rides in real-time.
 - Tools & Technologies used: React.js, Node.js, Express.js, MongoDB
 - Features: User authentication, ride booking workflow, real-time ride status updates, and responsive UI.

Achievements & Leadership

- **400+ Problems Solved:** Maintained a consistent streak on ****LeetCode****, mastering Graphs, Dynamic Programming, and Trees.
- **Smart India Hackathon (SIH):** Ranked among the ****Top 45 teams**** at the college level for developing a tech-driven solution for social impact.
- **Technical Mentor:** Assisted 10+ peers in understanding core concepts of Full-Stack development and Git version control.

Extra Skills & Interests

- **Languages:** English (Professional), Hindi (Native)
- **Soft Skills:** Agile Methodology, Technical Writing, Collaborative Problem Solving
- **Community:** Contributing to open-source toolboxes and solving urban civic challenges via technology.
